

Online Library Resources and Services

The National Library of Latvia (NLL) is providing remote access to its digital resources and e-services during the state of emergency declared by the Cabinet of Ministers. The NLL Digital Library has 12 collections. In addition, more than 20 full-text foreign subscribed databases, the National Encyclopaedia, as well as lecture, discussion, conference, reading and other audio and video content on NLL social networks are available for study and research purposes.

Digital collections (most of the content is in Latvian):
